

Pool Party Request Form

Aquatic Management Group requires a ten (10) day notice and prior payment method on file for all pool party requests. A request does not confirm that the party can take place. This form merely requests the scheduling of lifeguards that Aquatic Management Group will staff for your party. Please contact your club management, HOA or property manager to inquire about reserving the date, facility and any other subsequent security deposits and/or reservation charges. Reservations of specific areas of the pool for parties is facility specific. If your facility does allow reservation of tables, clubhouses, cabanas, etc. please specify the area of the pool that you would like to reserve below*.

Chaperones are required for all parties for attendees under the age of 21. Aquatic Management Group requires one chaperone over the age of 25 for every 15 guests under the age of 21.

ALCOHOL IS NOT ALLOWED UNLESS OTHERWISE APPROVED BY AQUATIC MANAGEMENT GROUP AND YOUR HOA/CLUB MANAGEMENT.

Once this form is received a representative from **Aquatic Management Group** will contact you to confirm the scheduling of lifeguards for your party. During that initial contact, we will need a credit card to put on file to reserve the date. We do not charge the card until we have scheduled the guards and confirmed the amount due with the host of the party. At this time, you can either pay with the card on file or write a check to Aquatic Management Group.

Please email this form to poolparty@aquaticmanagementgroup.com or call 919-600-4117 if you have any questions.
